INTERESTS

HR & Financial Services Professional with 13+ Years at Nedbank Group

Strong background in customer service, payroll administration, compliance, and staff benefits consulting across HR and retail banking. Recently completed two AI certifications through ALX Africa, adding practical knowledge in AI tools and digital content creation. Seeking opportunities in Johannesburg in HR, administration, banking, or customer service where I can contribute immediately.

Work Experience

Financial Advisor — Jan 2021 – Jun 2021

Metropolitan Life · Johannesburg

- Consulted clients on life cover, funeral plans, and investment products.
- Conducted site visits and group presentations to acquire new clients.
- Managed full onboarding including compliance documentation.
- Maintained client relationships through regular follow-up for retention.

Multifunctional Consultant — Oct 2013 – Sep 2020

Nedbank Group Ltd · KwaZulu-Natal

- Served clients across teller, enquiries, and ATM custodian functions.
- Verified identities and transactions per bank security and fraud-prevention protocols.
- Managed daily cash balancing, ATM loading and monitoring, and drawer records.
- Logged and followed up first-line ATM and device technical issues to resolution.
- Directed clients to digital channels and identified referral opportunities.
- Upheld all Nedbank compliance, risk, and legislative requirements.

Key skills: cash handling · operational controls · CRM · fraud prevention · first-line support

HR Benefits Consultant — May 2007 – Sep 2013

Nedbank Group Ltd · KwaZulu-Natal

- Onboarded new employees through contracts, HR policies, and full benefits induction.
- Explained medical aid, retirement, life cover, UIF, disability and payroll-giving options.
- Resolved ongoing staff queries on medical aid, car allowances, and leave pay.
- Managed payroll benefit adjustments and resolved discrepancies on time.
- Conducted exit consultations for resignations, retrenchments, retirements, and deaths.
- Maintained payroll records; filed and archived documents with Metrofile and Docufile.

Key skills: benefits administration · payroll · legislative compliance · employee advisory · records management

Education

National Diploma: Office Management & Technology — 2007
Durban University of Technology
